

SSB Mobile Banking

Mobile Banking App instructions:

Making a deposit from your smart phone is **easy!**

1. Sign up for online banking. A customer service representative will contact you with your usercode and password. Then complete your initial login.

2. Download the App through the Appstore or the Google Play Store. Our App is called "TouchBanking" (*see photo to the right*) Click "install" then "open."

3. Enter our bank's appcode: **GoMobile1070**

4. Enter your specific online banking login usercode and then your password. You may also have to answer a security question.

Mobile Deposit instructions:

Making a deposit from your smart phone is as easy as **App. Snap. Deposit.**

- ⇒ Log into your "TouchBanking" **App**
- ⇒ Tap on the "Deposits" button on your screen
- ⇒ Tap on the "New Deposit" button
- ⇒ Choose the account you would like to deposit to
- ⇒ Enter the amount of the deposit
- ⇒ **Snap** a picture of the front and back of the check
- ⇒ Answer "yes" to make the **Deposit**
